Our Invitation

The 1955 Iowa Royal

We most cordially invite everyone interested in good livestock to attend the Iowa Royal of 1955.

There are 41 of the finest herd bull prospects that could ever be assembled in one state. Thirty-two are serviceable aged and well matured. Nine are coming prospects. Many have show and production records.

Their bloodlines are the most popular of the day and they are the kind that will breed deep bodies and natural thickness on their calves which is far cheaper than to feed it on.

The females represent the choicest bloodlines and most approved type always offered at the Iowa Royal. They are and will be great beef cows that will surely contribute their half to the inheritance of superior beef calves.

We feel that the purebred beef cattle business has stabilized and indications are that prices and demand are getting stronger, especially for good Shorthorns. However, more attention is being given quality than ever before, and **QUALITY PLUS** is what we have to offer at the Iowa Royal.

Spend a day at the Iowa Royal. See, inspect and talk good Shorthorns. Help generate a world of Shorthorn enthusiasm.

We welcome all breeders, ranchers and farmers from Iowa and many other states who have been attending the Iowa Royal in greater numbers each succeeding year.

Plan to attend. We would like to show our hospitality and give you every service we possibly can.

ANNUAL MEETING, BANQUET AND SOCIAL GET-TOGETHER

The Iowa Shorthorn Breeders Assn. extends an invitation to all breeders, their families, friends and others interested in agriculture, good livestock, and particularly Shorthorns to attend their annual meeting, banquet and program in the Pioneer Rooms of the Hotel Kirkwood, Des Moines, Iowa, Monday evening at 6:30 p.m. on March 7, 1955.

THE DES MOINES CONVENTION BUREAU will furnish organ and vocal music during the dinner hour. A short program and business meeting will follow the dinner.

Election of directors whose terms expire and officers will be held immediately after the program.

Following the program part of the meeting will be an evening of entertainment and fun for all—men, women and juniors.

There will be a floor show with talented young girl dancers and vocalist.

A full evening of dance music and singers will be furnished by **The Morrow Melodians**, an outstanding all-girl orchestra, for dancing both the old and new dances, or to entertain those who wish to just listen and visit.

We should like to have everyone attend this banquet, and the Iowa Royal Show and Sale the next day, Tuesday, March 8, 1955. The Show starts at 9:00 a.m. and the Sale at 12:30 p.m. at the Iowa State Fair Grounds.

Would you kindly drop a card to the Secretary-Manager stating how many banquet reservations you will need.

He was second in the junior yearling class at Iowa State Fair, and first at several other fairs. We think he looks better as he gets older. He is a half brother to the champion white steer in the Denver Junior 4-H Show. His sire is a three-quarters brother of the 1953 International champion bull that sold for \$10,000.

UEHLAMAR LEE—Is a very deep bodied, heavy boned, short legged bull that is dark colored, good headed and the best of breeding. His sire has left a lot of good sons like this one and his dam is a thick, short legged cow sired by a son of Marellbar Augustus that headed a strong class of 20 bulls. His full sister, a year older, is an extra good beast and a full brother a year younger is an excellent calf. We are sure that he will transmit his type and quality to his calves.

Since the cow herd consists of 60 half sisters and 25 daughters, with another crop of calves to come by him, this will not allow future use of him. Now, just in his prime, we offer him for sale. KA DEL CAMEO 25th—We are very proud to offer this calf in the Iowa Royal Sale. The unrefouched photo shows what he really is, a beautiful head and horn, a hair coat you always like to see on a stock bull. He is thick, deep, on short legs right out on the corners. We think he is a great, better than our '46 International Congress Champion. A full brother was last spring's champion bull of the Hawkeye Downs Sale. Check his breeding, Leveldale Cameo's record speaks for itself. This Clipper cow is only a couple of jumps from the International Grand Champions Sunray, Clipper's Favorite and Collynie Clipper Star, and with Fascinator in the background.

ROSA PRINCESS 18th—Is probably the lowest and one of the thickest heifers sired by Diamond Bar Max by the International Champion, Killearn Max Juggler. The dam is a granddaughter of Morlunda Prince Peter which made a very impressive record for himself. This heifer was bred Dec. 17, 1954 to Goldfinder's Command by the International Champion, Goldfinder's Champion. Goldfinder's Command sired the Grand Champion Shorthorn steer of the 1954 International Livestock Show in both the junior and open class show. This steer was also reserve champion over all breeds. In short, the way this heifer is bred and the bull she is bred to should make a wonderful purchase for the most critical buyer.

UEHLAMAR ROSEWOOD 79th—Is the larger of the two Rosewoods we have entered in this sale but so much alike that they can't be distinguished apart. We wanted to keep them very much to take with our show herd but wanted to help the sale by entering good females. This Rosewood family comes down through the imported cow bred by R. L. P. Duncan and with the top sires such as Calrossie Randolph, Calrossie Souvenir and Edel'yn Go'dfinder through West Hatton Sheik make them the finest of Scotch breeding. Caifhood vaccinated and sells open.

HERJADON LAVENDER 11th—She is a stall mate to Herjadon Clara 5th, also in sale. She stood next to her every place shown. She was Reserve Champion club heifer at Marion County Fair and second at Iowa State Fair. She is low set, heavy boned, with a good head and plenty of thickness. This same Lavender family has produced two first prize bul's at the Iowa State Fair for us. We should keep this heifer in the herd but want to offer the best in the Iowa Royal Sale. Her sire and her dam's sire are first prize winners at Iowa State Fair. She sells open and was caifhood vaccinated for Bangs.

HERJADON CLARA 5th—We are consigning this show heifer as an attraction to the Iowa Royal Sale. She was Grand Champion 4-H heifer at the Marion County Fair and was first in her class at the Iowa State Fair. If we were going to show cattle at the 1955 fairs she would not be for sale. She would be hard to beat in 1955. We think she is nearly a model Shorthorn female. I doubt if there is a better heifer offered for sale this year. Her dam was sired by Gold Bar Max, first prize at the Iowa State Fair, and she is sired by Herjadon Max 21st, also a first prize bull at the Iowa State Fair. Your show herd could be built around this heifer. She sells open and was calfhood vaccinated for Bangs.
